Mr. Donald C. King
Deputy Director of Logistics
Central Intelligence Agency
Washington, DC 20505

Dear Mr. King:

This is in response to your request of March 29, 1982, that Mr. Claude G. Bernier be authorized to accompany the Evaluation Board to Detroit and Houston during the week of April 12-15, 1982.

I am pleased to report that Mr. Bernier is available and can participate in the architect/engineer interviews for the proposed Langley Headquarters expansion project. I am certain that the Board's efforts will result in the selection of the most qualified firm and I look forward to our involvement during both the design and construction phases.

Sincerely,
